Kevin-

I received a faxed summons on June 4, 2010 for the [REDACTED] pre-trial conference scheduled for June 3, 2010. I am curious as to why I received it - normally we do not get summonses for conferences/motion hearings. Looking at what the drugs in the case are, I'm guessing that the case will be resolved before a trial, but if you would kindly let me know that status of this case it would greatly appreciated. Thank you.
